

**STATE BOARD OF EQUALIZATION
STAFF LEGISLATIVE BILL ANALYSIS (SHORT FORM)**

Date Amended:	05/26/00	Bill Number:	SB 2072
Tax:	Sales and Use	Author:	Speier
Board Position:		Related Bills:	AB 1965 (Leach)

The bill, as amended, is no longer within the scope of responsibility of the Board.

COMMENTS:

This bill was similar to AB 1965 (Leach, et al.), which is sponsored by the Board of Equalization in an effort to protect the privacy of taxpayer information. Our prior analysis recommended double joining language since both bills would have amended Section 1798.61 of the Civil Code. However, this version of SB 2072 would no longer amend Section 1798.61 of the Civil Code. Therefore, double-joining language is not necessary, and this bill would no longer impact the Board.
